

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation. This is clearly a Republican move to try to sway the elections. Please stop them from using the airwaves for their personal gain.

Sinclair uses the public airwaves free of charge, and is (by law) supposed to serve the public interest. What Sinclair is doing is not helping our Democracy. Sinclair is taking advantage of their size to sway public opinion -- Truly not JOURNALISM.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Please do not renew their licenses. Thank you.
